I think maybe a call would be better with the state rather than a meeting.

EPA would like to schedule another meeting to discuss CDPHE's proposal for settlement calculations/percentage.

Since we are already meeting on June 4<sup>th</sup>, I thought it might work out to schedule the discussion at the end of our Nelson Tunnel team meeting.

Andrea, Kelcey, Aaron, and Doug,

Would you please let me know if June 4<sup>th</sup> at 3:30-4:00 will work for you to discuss the CoCa Mines settlement monies?

Thanks!  
Sharon
